It is important that pet owners take the necessary precautions to ensure their dog is not found to be creating a nuisance, endangering other animals or people, damaging property, or roaming outside of their property.

If you are a dog owner, you should:

- Ensure your dog is appropriately contained in your yard and it cannot escape – 90 percent of dog attacks are committed by wandering dogs.
- If out in public, please ensure that your dog is kept on a leash.
- Always supervise children around dogs – particularly if a dog is sleeping, feeding or recovering from injury or illness
- Ensure your dog is registered with Council – it is against the Council's Local Law to keep unregistered dogs.

If you have not yet registered your animal, please contact the Burke Shire Council to complete an application, the following fees will apply:
