Burketown Airport Reconstruction

Project update – travel between Burketown and Doomadgee

A reminder that all Rex passenger services will arrive and depart from Doomadgee Airport on **9 April 2026**.

Charter flights will transport passengers between Burketown and Doomadgee until road access and the bus transport service is available.

Passengers need to contact Council to book a seat (07 4745 5100).

Council will update passengers about scheduling via text message once their booking is confirmed.

Please let Council know of any special requirements or bulky luggage when making your booking.

We will continue to keep the community updated as further information becomes available.
