Overview

The statement of financial position at the end of October shows Councils total equity sitting at \$153 million. Balance sheet opening figures are now drawing from audited closing balances as at 30 June 2017. Balance sheet balance figures will need to be adjusted to reflect the increase in asset values per the most recent asset revaluation exercise.

Cash & Cash Equivalents

Cash balances at the end of October sat at \$13 million down from \$17 million at the close of the previous month. Decline in cash balances reflects significant but anticipated cash outflows incurred

for capital works as per capital works budget. Budget cash flow forecasts reflect that cash balances will decline progressively to a balance of ~\$7.2 million at the end of the financial year.

Trade and other receivables

Outstanding rates receivable continued to drop towards the end of October as rates payments are remitted to Council. Balances dropped from \$155K to \$134K between September and October.

6. MEASURES OF FINANCIAL SUSTAINABILITY

Financial ratios are indicative of effective financial management. Results within targets indicate that financial risks are being managed effectively.

Ratio	Target	YTD Actual	Target Met
Current Ratio	>1:1	13	Yes
Asset sustainability ratio	>90%	126%	Yes
Net Financial liabilities Ratio	<60%	-535.94%	Yes
Operating surplus ratio	Between 0 and 10%	-209%	No
Capital Expenditure Ratio	1:1	1.16	Yes

The Current ratio: Measures Council's ability to meet short term obligations from cash and liquid financial assets- Council's ratio at the end of the month indicates an ability to offset short term obligations from liquid financial assets.

The Asset sustainability ratio: Measures the extent to which infrastructure assets are being replaced as they reach the end of their useful lives – Councils ratio at the end of the month increased from the previous month and exceeded the target ratio, please note this is largely a timing variance between the target ratio and the year to date actual ratio.

The Net Financial liabilities ratio: Measures the extent to which the net financial liabilities of Council can be serviced by operating revenues – Councils ratio at the end of the month indicates sufficient operating revenue to cover current liabilities however it is important to also consider Councils revenue ratios.

Revenue ratios at the end of the month reflect a recurring reliance on external revenue sources. Ratios at the end of October reflect that 10% of year to date operating revenue is derived from non capital grants; 50% of total revenue is deriving from capital grants while 27% is deriving from rates and utility charges. Year end budgetary positions reflect reliance on external funding.

7. REPORT OF EXERCISE OF DELEGATION – RATE DEBT RECOVERY POLICY FIN-POL-006

Clause 9 of Council's Rate Debt Recovery Policy determines how debtors can enter into a plan to pay their outstanding debts (rates and charges and other receivables) to Council. Clause 11 delegate's authority to negotiate payment plans, and requires a report to the Council meeting when the delegation is exercised. The following delegations were exercised in the reporting month:

Amount of debt	Repayment term (NB: only CEO can approve if debt will not be repaid in financial year that debt was accrued).	Authorising officer (FM or CEO)
Nil	N/A	N/A

8. STATEMENT OF CASH FLOW

Grants, subsidies, contributions and donations	2,475,242	5,230,000
Net cash inflow (outflow) from investing activities	703,228	- 4,041,520
Cash flows from financing activities		
Proceeds from borrowings	-	-
Repayment of borrowings	-	-
Repayments made on finance leases	-	-
Net cash inflow (outflow) from financing activities	-	-
Net increase (decrease) in cash and cash equivalents held	- 2,624,731	- 10,859,220.00
Cash and cash equivalents at the beginning of the financial year	16,430,001	18,072,556.00
Cash and cash equivalents at end of the month	13,805,270	7,213,336

Year to date payments to employees and suppliers exceeded receipts from customers resulting in negative cash inflows from operating activities.

Capital revenues exceeded capital expenditure at the end of the month resulting in positive cash flow from investing activities.

Overall expenditure exceeded cash receipts resulting in an overall net decrease in cash in line with cash flow forecasts.

DATE REPORT PREPARED:	7 November 2017
LINK TO COUNCIL PLAN/S:	N/A

1. PURPOSE

To review and adopt relevant finance policies.

2. BACKGROUND & PREVIOUS COUNCIL CONSIDERATION

Council recognises the need to continually review and update finance policies in line with legislative and regulatory requirements. Accounting standards, regulations, legislation changes and new contemporary issues are identified and incorporated into Councils suite of finance policies to ensure relevance and currency.

3. PROPOSAL

That Council acknowledges and endorses the following changes to the procurement policy:

- Update of purchase delegations as follows:

Classification	Suggested Range (GST inclusive) (note this is NOT a delegated authority)
Executive Manager / Deputy CEO	\$20,000 - \$100,000
Senior officers	\$15,000 to \$50,000
Supervisors/ middle management	\$5,000 to less than \$15,000
Other officers	\$1000 - \$5,000

- Update of number of quotes to be sought as follows:

*All purchases under \$5,000 - only one quote needs to be sought and obtained

*Purchases between \$5,000 and \$15,000 – minimum two quotes to be sought and one quote to be obtained (See Table Below)

Requisition Value (\$)	Written quotes to be sought	Written quotes to be obtained	Days to be allowed for receipt of quotes
Less than \$1,000	0	0	Must obtain confirmation of price before placing order
\$1,000 to less than \$5,000	1	1	3 business days
\$5,000 to less than \$15,000	2	1	5 business days
*\$15,000 to less than \$50,000	3	2	7 business days
*\$50,000 to less than \$100,000	3	2	9 business days
*\$100,000 to less than \$200,000	3	2	12 business days
*\$200,000 and above	Tender process and Council approval required		

That Council acknowledges and endorses the following changes to the Rate Debt Recovery Policy.

- Addition of clause allowing write off of small debts
- Update to allow Executive Manager Finance to write off, either in whole or in part, any rate or charge levied in accordance with Chapter 4 of the Local Government Act 2009 and any charge, fee or fine or other item of income specified in Council's approved schedule of fees and charges where such were raised, levied or calculated in error.
- Exercise of delegation (other than correction of administrative errors) to be reported to Councillors at next Council Meeting

4. FINANCIAL & RESOURCE IMPLICATIONS

N/A

5. POLICY & LEGAL IMPLICATIONS

Compliance with the Local Government Act 2009 and Local Government Regulation 2012 through correct referencing of Act/Regulation.

Consistent and recognised basis from which to make financial decisions.

6. CRITICAL DATES & IMPLICATIONS

It would be appropriate for these changes to take place at the November 2017 Council meeting.

7. CONSULTATION

09.03.02 Review and adoption of FIN-POL-011 Asset & Services Management Policy and FIN-STR-001 Asset & Services Management Strategy

DEPARTMENT:	Works and Infrastructure; Finance; Governance
RESPONSIBLE OFFICER:	Philip Keirle, EMSP
DATE REPORT PREPARED:	13 November 2017
LINK TO COUNCIL PLAN/S:	Council Policy Review (non-statutory)

1. PURPOSE

To review two key components of Council's Asset & Service Management Framework:

- FIN-POL-011 Asset & Services Management Policy;
- FIN-STR-001 Asset Management Strategy.

2. BACKGROUND & PREVIOUS COUNCIL CONSIDERATION

Council adopted FIN-STR-001, the Asset & Services Management Strategy for the first time in at the Ordinary Council meeting in November 2015. The Strategy was reviewed and adopted at the November 2016 Council meeting.

Council adopted a revised version of FIN-POL-011, the Asset & Services Management Policy at the Ordinary Council meeting in November 2015. The Policy was reviewed and adopted at the November 2016 Council meeting. Both documents were developed by Council management in consultation with CT Management Group.

The Asset Management Policy details the guiding principles for Council's approach to Asset Management.

The Asset Management Strategy looks more closely at the myriad components of an effective Asset Management system and elaborates the guiding principles for each of these components: asset acquisitions and disposals, decision-making frameworks, whole-of-life costings, asset renewal programs, modelling of operational and maintenance budgets for asset classes.

3. PROPOSAL

That Council adopts the Asset & Services Management Policy as submitted.

That Council adopts the Asset & Services Management Strategy as submitted.

4. FINANCIAL & RESOURCE IMPLICATIONS

The 2017-18 budget provides an allocation for Asset Management

5. POLICY & LEGAL IMPLICATIONS

While there is no particular requirement to develop and adopt Asset Management Policies and Strategies, these documents are integral components of an asset management system of

governance. The LGA 2009 and LGR 2012 speak to requirements related to the development, adoption and continual revision of a local government's asset management plan.

Instrument	Detail
Local Government Act 2009	<p>Section 104(5)(a)(ii)</p> <p>(5) The system of financial management established by a local government must include:</p> <p>(a) the following financial planning documents prepared for the local government:</p> <p>(ii) a long-term asset management plan.</p>
Local Government Regulation 2012	<p>Section 167 Preparation of long-term asset management plan</p> <p>(1) A local government must prepare and adopt a long-term asset management plan.</p> <p>(2) The long-term asset management plan continues in force for the period stated in the plan unless the local government adopts a new long-term asset management plan.</p> <p>(3) The period stated in the plan must be 10 years or more.</p> <p>Section 168 Long-term asset management plan contents</p> <p>A local government's long-term asset management plan must</p> <p>(a) Provide for strategies to ensure the sustainable management of the assets mentioned in the local government's asset register and the infrastructure of the local government.</p> <p>(b) State the estimated capital expenditure for renewing, upgrading and extending the assets for the period covered by the plan; and</p> <p>(c) Be part of, and consistent with, the long-term financial forecast.</p>

6. CRITICAL DATES & IMPLICATIONS

The Ordinary Council meeting of November 2017 would be an appropriate time to review and adopt the Asset & Services Management Policy and the Asset and Services Management Strategy.

7. CONSULTATION

Internally reviewed. No amendments suggested/recommended.

8. CONCLUSION

The annual review of core asset and services management documentation – plans, policies, strategies – is important to ensure that the principles and practices of asset and services management are subject to consistent review.

9. OFFICER'S RECOMMENDATION

- a) That Council notes the contents of this report; and
- b) That Council receives and adopts the Burke Shire Council Asset Management Policy; and
- c) That Council receives and adopts the Burke Shire Council Asset management Strategy.

1. COMMUNICATION

Councillor updates: for the reporting month (as emailed on an ‘as happened’ basis during the month) are included in the attachment. Councillors who would like a printed copy can arrange through the Executive Assistant.

Weekly contract updates: these are provided weekly – now directly from the executive manager works and infrastructure (EMWI)

Council snapshot: this communication initiative, which highlights topics from a council meeting, was introduced in April 2017. It is now prepared and publicly released after each council meeting.

2. GENERAL ITEMS

Topic	Report
Heavy Haulage – dump trucks from Century to Mellish Park	<p>Burke negotiated a Deed of Agreement with the operator in charge of moving 19 over-mass dump trucks from the Century Mine to Mellish Park via Council roads in November. Key points of the Deed are that the operator funded pre and post condition assessments of the road, agreed to pay for any damage caused to the road as a result of the haulage, and lodged a bond with Council as assurance. As at the date of writing, the movement has completed, inspection has been carried out, and we await the report of our consulting engineer. The movement went relatively without incident other than the need for a truck to park up on the Camooweal Road (not a Burke Shire road) at the entrance to Mellish Park for a day or waiting for the Mellish Park road to dry out after rain.</p> <p>Council provided advice to Mellish Park regarding the implications of storing and breaking down trucks on a pastoral lease. Mellish Park have consequently applied for a Material Change of Use (refer separate agenda item presented by DCEO).</p>
LGAQ conference 2017	<p>Mayor, Deputy Mayor, CEO and Deputy CEO attended the LGAQ conference held in Gladstone in October, joined by Philip Keirle representing Gulf Savannah Development. Along with attending the various conference sessions, Council secured a number of strategic delegations:</p> <ul style="list-style-type: none"> Hon Kate Jones Education and Minister for Tourism, Major Events and the Commonwealth Games – joint deputation with Mount Isa City Council to discuss matters relating to education, and Riversleigh. With the Government

Topic	Report
	<p>now in caretaker mode, followup on this delegation has been curtailed</p> <ul style="list-style-type: none"> • Hon Mark Furner, Minister for Local Government and Minister for Aboriginal and Torres Strait Islander – this deputation resulted in Burke securing the Ministers approval at short notice and ahead of caretaker mode to dispose of land to JCU for student nurse accommodation in Burketown • Mr Andrew Powell, Shadow Minister for Transport and Main Roads and Shadow Minister for Local Government - briefed the Shadow Minister on Savannah Way. Given the impending election, this will be valuable if there is a change of government.
RDA Reform	<p>RDA (Regional Development Australia) underwent an independent review last year, with reforms to be rolled out in 2017. Key reforms include:</p> <ul style="list-style-type: none"> • RDA Committees will operate under a new charter that focusses their work on facilitating economic development by creating local jobs, attracting investment and driving innovation • A new role of Director of Regional Development will be created for each RDA Committee, with direct responsibility for delivering the objectives and outcomes required under the RDA charter. The role will be a dedicated position, budgeted for from existing funding provided by the Australian Government. • A more rigorous merit-based RDA Chair, Deputy Chair and Committee member appointment process will be implemented • New performance measures will be established to ensure that the outcomes of RDA Committee activities are properly monitored and measured. • Other changes related to some expansion of coverage to external territories, and amalgamation of Melbourne RDAs consistent with other capital cities.
November schedule and workload	<p>All executive staff have extensive travel in November for various meetings and training, with the DCEO and EMWI in particular out of the office for the better part of two weeks.</p> <p>An extremely heavy load of construction projects is concurrently in full swing with the looming deadline of the wet season, and 30 November for Works for Queensland. To add to the challenges, we have again changed works managers after a resignation during the probationary period and new temporary appointment through LO-GO appointments.</p> <p>I extend my compliments to our dedicated and diligent team of staff who continue to deliver outcomes despite the twin challenges of disruption and heavy workload.</p> <p>We are all behind on paperwork and other matters; however the important delivery and deadlines are being met with expediency and compliance.</p>
Date reminders	<p>Refer governance calendar and calendar invites with particular attention to:</p> <ul style="list-style-type: none"> • Thursday 30 Nov: ROC and RRTG – Cloncurry • Wednesday 13 Dec: next ordinary council meeting

4. GRANTS REGISTER (under development)

Doc ID|218540

CEO and executive managers have refined the way that grants are recorded, in order to monitor the administrative and financial process from application through to acquittal in accordance with the Deed of Funding. The grants register is a staged project:

- Consultation and design: completed Saturday 26 August
- Add to EMT meetings standing items: completed
- Populate tables in spreadsheet with grant information: planned for September
- First complete report to Council: originally planned for October 2017 however the register is still in progress with EMT experiencing extremely high operational workload, along with absences at meetings and training

A short-form report will be included in the body of the CEO report monthly for councillors to track current and pending grants at a glance. The grants register will be included in the attachment for confidential viewing by councillors. The register is not a public document, particularly as it contains financial information that may compromise the integrity of tender processes.

5. REGISTER OF GOVERNANCE INSTRUMENTS

Doc ID | 197887

The table below provides an update on the status and progress of key Council governance instruments. The majority of these documents are subject to monthly, quarterly and annual review.

The 'gravity' column relates to the consequences of non-compliance:

- Red traffic light – serious detriment to operations, or individuals
- Orange traffic light – consequences are important but less detrimental
- Green traffic light – non compliance would not cause serious detriment

A detailed compliance report is included in the attachments.

6. DELEGATIONS CEO TO OFFICERS

Doc ID | 200935

Section 259 of the *Local Government Act 2009 (QLD)* provides for the CEO to delegate powers to an appropriately qualified employee or contractor. Section 260 requires the CEO to keep a register of such delegations, which may be inspected by the public. The register of delegations from CEO to officers is included in the attachments to the CEO report, and this (newly introduced) section reports a summary of delegations that the CEO reviewed during the reporting month.

Delegation	Review
	No new delegations for reporting month however EMT have commenced comprehensive review particularly around records management, national heavy vehicle laws and rental tenancies.

At the time of writing the report, the replacement hut and materials had arrived in Burketown and affected stakeholders have been communicated with.

3. GULF SAVANNAH DEVELOPMENT UPDATE

The GSD AGM took place in Cairns on 9 November 2017. At this meeting Mayor Camp was reappointed as GSD Chair and Nils Hay appointed formally as GSD Company Secretary. The organisational structure was updated and Nils Hay was also confirmed as GSD CEO.

The meeting considered a number of strategic initiatives for GSD to move ahead with in the future, and feedback on these initiatives is being collated for development into a more formal strategic plan.

The Chair and CEO also met with several candidates to undertake the Administration Officer role, and the preferred candidate is being appointed at the time of writing this report, with a plan to commence (based in Cairns) on Monday 4 December 2017.

4. ADMINISTRATION AND COMMUNITY SERVICES

Records Management

Strategies to stabilise the number of documents the Business Classification System (BCS) have been implemented to reduce the cost of record keeping. This has seen a continual stabilisation of numbers from October 2016, which will have a flow on cost impact.

Consultation and liaison has been completed to determine Council's legal responsibility and process requirements in relation to heritage and historical donations. A brief has been prepared for Councillors consideration. See Report attached.

Information Technology

No major outages or events in relation to ICT. The ACSC continues to explore options for a disaster resilience solution. See Report attached.

Library

September has seen an increase of computer usage and library visitors compared to last year.

Children and adults have been using the library with the following top 5 sites being:

1. Non-web TCP - 22.7%
2. Google - 20.6%
3. Youtube - 15.1%
4. miscellaneous secure web 8.0%
5. Google HTTPS- 7.4%

See Report attached for additional details.

Community Development and Tourism Report

Planning for Order of Outback Ball has commenced. A council decision is required on the location of the ball for 2018 and future years. A planning exercise has been completed to implement the Annual Donation Requests for the 2018–19 FY. See CDTO Report for update on donations.

2017 Council Run Events Schedule

Dates 2017-18		Activity
TBC		Tidy Yard Competition (After wet season)
11	Nov	Remembrance Day
TBC	Dec	BSC Staff Christmas Party
26	Jan	Australia Day
25	Apr	ANZAC Day

A separate report concerning the 2018 Events Calendar will be presented at the November 2017 Ordinary Council Meeting

5. HUMAN RESOURCES

Departures:

- Benny Kumsing (17 November 2017)

Appointments:

- Michael Sceresini, Acting Works Manager (via Logo Appointments – 20 November 2017)

Recruitment:

Council is currently advertising for:

- Mechanic / Apprentice Mechanic (replacing Norm Welsh, and backfilling apprentice should Matthew Douglas be successful with the Mechanic's vacancy). Interviews have been conducted and offers made to the preferred candidates.

Enterprise Bargaining:

Draft Agreement went to vote during week starting 6 November. Vote came in 27-2 in the affirmative. DCEO currently working with LGAQ and unions to progress certification progress.

Staff Performance Reviews:

Majority of performance appraisals have been completed, only two (2) remain outstanding. Of the completed appraisals, all but 7 staff have received letters acknowledging their participation in the appraisal process. Work continues to review position description and salary classification for the remaining 7 staff.

Training:

The following training has taken place over the last month:

- Apprenticeships and Traineeships are ongoing;
- Weekly toolbox training continues, plus additional safety training from the WHSC as required.
- MC License training provided to Anthony MacNamara and Neil Welsh.
- Rex Training.
- Contract Management training for DCEO and EMWI.
- First Aid training for Council's workforce.

6. WORKPLACE HEALTH AND SAFETY

There were two report-only incidents during October 2017, an employee came into contact with chlorine solution due to a seal on a pipe popping, another was related to a slip on a wet surface. Neither incident required first aid treatment.

October also saw the end of our 2016-17 Annual Workplace Health and Safety Action plan, with the 2017-18 plan starting in November 2017. The positive outcomes reflect the hard work of our WHSC and ongoing improving safety culture and maturity within the workforce.

The WHSC has provided a detailed report as part of their monthly submission (attached), with a few highlights included below:

Incident trends have increased by 23.07% from the previous year. There were twenty (26) incidents recorded from the beginning of November, 2016 to the end of October, 2017 in comparison to twenty (20) from the previous year. This increase is mainly due to the increase of report only incidents which are of a minor nature though also reflect the positive safety culture.

Property damage incidents have reduced considerably and have decreased by 50% from the previous year.

Nov. 2016 – Oct. 2017

Nov. 2015 – Oct. 2016

An audit of the Annual WH&S Action Plan (AWAP) and Monthly Action Plan (MAP) completion rate has determined that Hazard Inspections are completed 67.83% on average for the past year which is an increase of 41.05% from the previous year. The over all MAP completion average for the year is 97.32% which is an increase from 96.36% for the previous year.

Audits conducted to date have shown that Burke Shire Council is compliant with legislative requirements and industry benchmarks though there is room for improvement, and the WHSC is working with staff and management to continue to deliver improved safety outcomes for Council's workforce.

7. POLICY/PROCEDURE REGISTER

A copy of Council's Policy Register, showing overdue items and those coming up for review is attached.

8. OFFICER'S RECOMMENDATION

That Council notes the contents of the Deputy CEO's November 2017 report.

Deputy CEO Reports

12.02 2018 Events Calendar

DEPARTMENT:	Community and Tourism Development
RESPONSIBLE OFFICER:	Nils Hay
DATE REPORT PREPARED:	19 November 2017
LINK TO COUNCIL PLAN/S:	Operational Plan, Corporate Plan

1. PURPOSE

To endorse Council's Events Calendar for the 2018 Calendar year.

2. BACKGROUND & PREVIOUS COUNCIL CONSIDERATION

Each year Council produces an events calendar, covering the various Council-operated events that it will deliver in the coming period.

Standard annual events include:

- Australia Day
- ANZAC Day
- Tidy Yard Competition
- Seniors Week
- Remembrance Day
- Young Ambassador Day Program
- Burketown State School Dux Award
- Council Christmas Break-up

Other events include:

- Morning Glory Festival (MGF)
- Order of the Outback Ball (OotOB)

It was determined that the MGF be held biennially through Council Resolution 19.141120, alternating with a biennial OotOB. The last OotOB was held in July 2016, and MGF in September 2017.

The 2016 OotOB was held in Burketown, but has also been held previously in Gregory (2014).

3. PROPOSAL

A proposed Events Calendar for 2018 Council Events is attached; it includes Council-operated events, as well as other Shire events conducted by other community groups (to avoid clashes) and some regional events also.

It is proposed that the dates for the events in the attached calendar be adopted.

One important element of this proposal is to seek:

- Confirmation, or otherwise, to maintain a biennial schedule for the OotOB and MGF
- Direction is sought from Council regarding the host town for the 2018 OotOB

4. FINANCIAL & RESOURCE IMPLICATIONS

Council's events calendar is budgeted for to the end of the current financial year (30 June 2018). Based upon Council's decision on this matter, the events budget for 2018-19 will be developed.

Council has been utilising Community Drought Support funding (\$30,000) to deliver its 2017 events program. As the Burke Shire is presently not drought declared, it is unlikely this funding will be made available again in 2018.

It is noted that for major events like the OotOB and MGF, Council generally seeks external funding and sponsorship to reduce its financial contributions.

5. POLICY & LEGAL IMPLICATIONS

Nil

6. CRITICAL DATES & IMPLICATIONS

In order to allow for timely advertising and promotion of Council's events calendar – both locally and regionally – the November 2017 Ordinary Council Meeting would be an appropriate time to set the calendar for the 2018. This will enable Council to 'claim the date' for major events to try to reduce clashes on a regional level.

7. CONSULTATION

The CDTO has consulted with community groups in the development of this calendar to try to include their relevant events as accurately as possible.

8. CONCLUSION

The setting of an events calendar for the year in advance will provide clarity to stakeholders and community regarding coming attractions, as well as enabling staff to appropriately commence the local and regional promotion of Council's suite of events.

9. OFFICER'S RECOMMENDATION

1. That Council note the contents of the report; and
2. That Council adopt the following calendar for 2018 Council-run events:

Date	Event
26 January	Australia Day
25 April	Anzac Day
After wet season	Burke Shire Tidy Yard Competition
30 June	Order of the Outback Ball
11 November	Remembrance Day
November / December	Young Ambassador
November / December	Dux – Burketown State School
December TBA	Council Breakup

; and

3. That Council confirm its intention to run the Morning Glory Festival and Order of the Outback Ball on an alternating, biennial, basis with the next Order of the Outback Ball to be held in 2018 and next Morning Glory Festival in 2019; and
4. That Council nominate Burketown as the venue of the 2018 Order of the Outback Ball;
or
5. That Council nominate Gregory as the host town of the 2018 Order of the Outback Ball.

12.03 Donation Request – Goodidja Productions

DEPARTMENT:	Corporate and Community Services
RESPONSIBLE OFFICER:	Nils Hay; Deputy CEO
DATE REPORT PREPARED:	14 November 2017
LINK TO COUNCIL PLAN/S:	Operational Plan, Budget

1. PURPOSE

To provide information to Council regarding an in kind donation request relating to the delivery of the 2017 Frontier Days Festival in Burketown.

2. BACKGROUND & PREVIOUS COUNCIL CONSIDERATION

In early August 2017 Alec Doomadgee of Goodidja Productions approached the Burke Shire Council about holding the inaugural Frontier Days Festival in Burketown from 16-20 August 2017; this included a teleconference meeting with Alec following the Special Meeting on Thursday 3 August. The event was planned to take place in Doomadgee, and the request to relocate the event was made approximately two weeks prior to the proposed event date.

The event required significant input from the Burke Shire Council in terms of staffing, plant and materials to deliver. On 2 November 2017 the costs to Council were finalised and an invoice was forwarded to the Frontier Days Festival for payment.

As per the report below, and attached Donation Request Form, Goodidja Productions are requesting that Council waive these fees as an in-kind donation.

Council is also in initial discussions with Goodidja Productions regarding the 2018 Frontier Days Festival, which is proposed for Gregory August 15-19 2018 (see attached Festival Handbook for further information).

Council has not previously received a donation request from Goodidja Productions.

3. PROPOSAL

The total amount requested to be waived is \$27,227.54.

Goodidja Productions have provided an Economic Impact Analysis (attached) which breaks down the Festival's total direct economic impact to \$72,770.00 and its indirect economic impact at \$5,398.50. The analysis discusses, but does not quantify (in dollar terms) the impacts of regional promotion and media exposure as a result of the event.

Please see the attached Donation Request Form for additional details.

4. FINANCIAL & RESOURCE IMPLICATIONS

This donation request was not anticipated when Council prepared its 2017-18 Budget.

Council has approved the following donations so far this financial year (breakdown attached):

Cash	In Kind	Total
\$6,000.00	\$250.00	\$6,250

Council's donations budget currently stands at \$23,750.00 – less than the amount requested.

If Council wishes to approve this donation request, they will need to amend Council's donations budget.

5. POLICY & LEGAL IMPLICATIONS

Section 194 of the Local Government Regulation 2012 states that the local government may give a grant to a community organisation only:

- a) *If the local government is satisfied –*
 - i) *the grant will be used for a purpose that is in the public interest; and*
 - ii) *the community organisation meets the criteria stated in the community grants policy; and*
- b) *In a way that is consistent with the local government's community grants policy.*

ADM-POL-011 Council Grants to Community Organisations Policies manages the definition of a Community Organisation as follows:

"Community Organisation": the eligible status of organisations under this policy will be determined by Council having regard to the purpose of the organisation.

To that end, Council has discretion as to whether it wishes to consider Goodidja Productions a community organisation for the purpose of this donation request. Council should also take into account any precedent that the granting or denial of this request may have on future requests from similar organisations.

As per the aforementioned Policy, criteria in assessing a request or applications for assistance must include:

- The number of people likely to benefit;
- Availability of funding;
- Acquittal of previous assistance provided;
- The amount requested per person;
- Whether a particular organisation has benefited in previous years;
- The consequences of not making the grant;
- The financial capabilities of the organisation making the request;
- And the alignment of the purpose with Council's aims and objectives as set out in the Corporate Plan

Due to the value of the request a copy of Goodidja Productions' 2016-17 financials are attached. As a non-reporting entity under the *Corporations Act 2001*, Goodidja Productions is not required to annually audit their financial statements. The statements provided have been signed by Goodidja Productions' director to assert their compliance with the *Corporations Act 2001*.

6. CRITICAL DATES & IMPLICATIONS

The November 2017 Council Meeting would be an appropriate time to resolve this matter. It is not time-critical, however.

7. CONSULTATION

The DCEO has spoken with representatives from Goodidja Productions in the preparation of this report, as well as representatives from local community groups and Council staff as part of a wider post-event debrief.

8. CONCLUSION

This is not a standard donation request, and it is important that Council consider the precedent that this decision may set. That said, Council can demonstrably show that the positive economic and promotional outcomes of the event significantly outweigh the in-kind donation value. It is not clear what impact the denial of this request will have on the proposed 2018 event.

9. OFFICER'S RECOMMENDATION

1. That Council note the contents of the report; and
2. Approve the in-kind donation of \$27,227.54 to Goodidja Productions, relating to Council assistance provided for the delivery of the 2017 Frontier Days Festival as per Private Works Invoice 100313; and
3. That Council resolve to increase the Budget Donations line item by \$27,227.54 to accommodate this expense.

OR

4. Council does not approve the in-kind donation of \$27,227.54 to Goodidja Productions, relating to Council assistance provided for the delivery of the 2017 Frontier Days Festival and requests payment as per Private Works Invoice 100313.

12.04 Donation Request – Burketown Kindergarten

DEPARTMENT:	Corporate and Community Services
RESPONSIBLE OFFICER:	Nils Hay; Deputy CEO
DATE REPORT PREPARED:	21 November 2017
LINK TO COUNCIL PLAN/S:	Operational Plan, Budget

1. PURPOSE

To provide information to Council regarding an in kind donation request from the Burketown Kindergarten.

2. BACKGROUND & PREVIOUS COUNCIL CONSIDERATION

Council has ordered in sand for the completion of the new playground, adjacent to the Nijinda Durlga. It is possible that there may be excess sand following completion of the works. The Burketown Kindergarten have requested a donation of any excess sand for use in their own sandpit.

Council's primary contribution to the Kindergarten in recent years has been through rates concessions. Specifically through resolution 170420.04:

1. *That Council notes that the ability to exercise its rating concession powers under the Local Government Regulation 2012 does not extend to the ability to offer concessions related to the Emergency Management Levy.*
2. *That Council, pursuant to s120(1)(b)(i) of the Local Government Regulation 2012, resolves to grant a rating concession to the Burketown Kindergarten Association over Assessment Number 00180-00000-000 as follows:*
 - a) *Full concession for general rate charges for the financial years of 2015-16 and 2016-17; and*
 - b) *75% concession for all sewerage and garbage charges for the financial years of 2015-16 and 2016-17*
 - c) *Full concession for all interest charges accrued or accruing up to and including 30 June 2017; and*
 - d) *Nil concession for any charges relating to water – ie: for the avoidance of doubt, all charges for water including water consumption charges are payable in full; and*
 - e) *All concessions are conditional on outstanding rates being paid no later than close of business 30 June 2017.*

3. PROPOSAL

Organisation Name:

Burketown Kindergarten

Purpose or Function:

Early Education for student 0-5 years.

President: Tonya Murray

Treasurer: Shannon Moren

Secretary: Madeline Martin

Project Summary:

To replace/restock the sand in the Burketown Kindergarten Sandpit.

How will the project benefit Burke Shire communities?

The sandpit which is utilised by Kindy and playgroup students is currently in desperate need of being replaced and refilled. By refilling the pit it will make a safe and clean play area for students and visitors.

Describe the support you would like from the Council

Council is currently constructing a new playground and filling it with sand. Kindy would like to request that if there is any excess sand from their project could Kindy please use it to fill their sandpit.

Describe how Council support will be recognised and acknowledged:

Images and a write up will be included in the kindy section in the next Burke Shire Council newsletter.

The full donation request form is attached to this report.

4. FINANCIAL & RESOURCE IMPLICATIONS

The Kindergarten are willing to contribute their own labour to the project and estimate a value of approximately \$300.00 (10 hours) will be required.

Council has approved the following donations so far this financial year (breakdown attached):

Cash	In Kind	Total
\$6,000.00	\$250.00	\$6,250

The total value of the donation is not known at this time, as the quantum of left-over sand is not clear. It is expected to be under \$1,000.00 in value.

5. POLICY & LEGAL IMPLICATIONS

As the value of the donation is expected to be under \$1,000.00, a copy of audited financial documents for the kindergarten is not required.

6. CRITICAL DATES & IMPLICATIONS

The playground project will be completed prior to 30 November, as such it would be highly desirable to address this request at the November Ordinary Council Meeting.

7. CONSULTATION

The DCEO has spoken with the EMWI regarding the likelihood and amount of leftover sand following project completion. It has been confirmed that excess sand was ordered as a contingency measure to ensure the project was completed smoothly.

8. CONCLUSION

There is an expectation, but no guarantee that there will be sand left over following project completion. Should this be the case the kindergarten sandpit would see any such material put to good community use.

9. OFFICER'S RECOMMENDATION

1. That Council note the contents of the report; and
2. Approve the in-kind donation of any left-over sand from the Burke Shire Playground Project to the Burketown Kindergarten to replenish their sand-pit.
