#### 1. PURPOSE

This report is for information of Council and outlines the works carried out by the Engineering and Services Department for the month of February 2022. The Attachment to this report provides detail on routine reporting matters and general information.

#### 2. SUMMARY

The key items for noting are provided below with background detail and matters relating to other business aspects provided in the Attachment to this report.

##### 2.1 **General Works (including Parks, Gardens and Cemetery)**

- Rain event cleanup works tidy up
- Ramp up maintenance on over grown areas
- Ongoing wharf maintenance
- Slashing of over grown lots
- Clean up over grown lot in Gregory Street

##### 2.2 **Roads**

- Wet season road checks -Temporary signage and conditions monitoring
- Increased Road checks to identify defects and signage
- WDR Jacks Gully and Poison Gully temporary repairs to road surface-ongoing monitoring
- Doomadgee west road closure in place due to severe wash outs
- Gregory crossing road closure – questions raised and addressed on reasons why (due to flood marker and locations)

##### 2.3 **Plant and Fleet**

- Ongoing routine maintenance – requirement for a contract mechanic pending unsuccessful attempts at securing a Workshop Manager
- Rubbish Truck – Electrical and Hydraulic issues ongoing
- Prime Mover – electrical issues ongoing

- Grader - Electrical faults (possible lightning strike)

#### 2.4 **Water & Sewerage**

- SOPs workshopped and being finalised for early 2022 - ongoing.
- Dave Marshall back at work on 21<sup>st</sup> February.

#### **Burketown**

##### **Water**

- Chemical Dosing upgrade works installation completed and commissioned. A few minor repairs to take place once the contractor (QEE) on site.
- QEE to repair concrete where Sulphuric Acid has leaked and damaged concrete.
- SCADA upgrade scoping finalised and being prepared for tender
- Insurance broker has now revisited the claim and accelerating response for water leak damage during Clear Water Storage project
- Planning for de-silting of lagoons for Mid 2022 underway
- Water meter replacements (damaged ones) being finalised

##### **Sewerage Treatment Plant**

- Issue with STP irrigation resolved – loose connection to pump. Currently working on procedures to operate irrigation system. This includes how regular we operate the filter bypass and flushing system.
- Currently investigating the cause of pH failures on the monthly Sewerage Samples. This will continue until we can identify the cause and treat accordingly.

##### **Gregory**

- Planning for Raw water pump well upgrade completed and scope included in overall SCADA upgrade works.
- Raw Water and Potable Meters planning to be replaced.

#### 2.5 **Airports**

- Final inspection of works required to enable sign-off of project (had been waiting on Asif's return from Brisbane)
- Mowing around lights and the runway strip at both the Gregory and Burketown Airports currently underway.

#### 2.6 **Waste**

- Ongoing sorting at Burketown, with Gregory to be conducted early 2022
- Waste Strategy first actions being implemented – organic waste reuse via compost bins

### 3. OFFICER'S RECOMMENDATION

That Council receives and notes the Engineering and Services report.

DEPARTMENT:	Engineering and Infrastructure Services
RESPONSIBLE OFFICER:	Graham O'Byrne
DATE REPORT PREPARED:	16 March 2022
LINK TO COUNCIL PLAN/S:	Corporate Plan   Operational Plan   Budget

---

#### 1. PURPOSE

This report provides an update of the overall Capital Expenditure (Capex) Program for 2021/22. The report summarises the status to end of the reporting month.  
The progress of grant and funding submissions is also provided.

#### 2. SUMMARY

The Capex program budget for 2021/22 financial year is \$7,918,521. Of this \$1,284,211 is new grant funding. This is approximately \$130,000 more than last month with the successful funding received for the Health and Well Being Precinct master planning (\$100,000). At the end of February, the forecast cost of delivering this program is approximately \$32,000 over budget, \$5,000 increase from last month – additional variations are in the process of being approved by QRA which will cover the majority of this amount. The overall Capex program remains on track for delivery within budget.

## Engineering Services Reports

### 10.03 Civil Engineering Consultancy – 3 (+1) Year Services Agreement Contract

---

DEPARTMENT:	Engineering and Services
RESPONSIBLE OFFICER:	Graham O’Byrne; Director of Engineering
PREPARED BY:	Graham O’Byrne; Director of Engineering
DATE REPORT PREPARED:	17 March 2022

---

#### 1. PURPOSE

Council’s endorsement is sought to enter into a Services Agreement with Erscon Consulting Engineers for the provision of Civil Engineering services for a 3 year term.

Formalisation of Erscon’s service provision into an overarching contract will address the procurement and governance related matters associated with the continued utilisation of a sole consultant without tendering for the consultancy packages. The 3 year term will enable the appropriate timeframe deemed necessary for Council to progress with a forward planned tendering of the civil services to the market.

The overall extent of services includes, but is not limited to the following:

- Project scoping, design, general project and contract management;
- Project budget assistance;
- Technical and operational support as needed;
- Business Case and/or funding application assistance.

Specifically, the work packages covered by the contract will be:

- DRFA (Queensland Reconstruction Authority) works – Counter disaster operations, Emergency Works, Restoration Works, Betterment Works
- TIDS (Department of Transport and Main Roads) – annual program of works with a 5 year outward looking forecast
- ATSI TIDS ((Department of Transport and Main Roads)
- Road to Recovery (R2R – Commonwealth Department of Infrastructure)
- General civil advice and specific projects as required.

#### 2. BACKGROUND & PREVIOUS COUNCIL CONSIDERATION

Erscon have been providing services to Burke Shire Council for the past 8 years, and historically have been engaged through LocalBuy on a project by project bases. The purpose of entering into a 3 year contract is based around the forward planning required for Council’s road construction and maintenance program. The 3 year engagement will enable Council to plan well in advance, with the aim to go to the open market in 2 ½ years’ time for a new Services Agreement. This will ensure from a governance perspective that best value outcomes are achieved for Council and the community.

BSC, due to its remoteness and size has difficulty in attracting and retaining skilled professionals. This leads to BSC having limited engineering resources and technical capability in the area of civil engineering. As such Council are looking to appoint an engineering consulting practice to partner with enabling management of day-to-day operational challenges as well as specific project related aspects. The services will be based on an agreed schedule of rates, and aligned with rates already contained within LocalBuy arrangements.

Historically Council has engaged a consultant on a case-by-case basis. Council has a relatively small capital program, and yet its need for external expertise is critical. By pulling all the required services together under a single contract, and including project related works, the economy of scale will encourage a more competitive pricing model. It will also maintain a team of resources that will work alongside council to develop.

### **Scope of Services**

The extent of services required includes, but is not limited to the following:

- Project Business Case and/or funding application assistance;
- Project budget assistance;
- Project scoping, design, project and contract management;
- Technical and operational support as needed.

The engineering disciplines that will be required are those that provide support to all aspects of the civil sector, including but not limited to:

- Civil engineering;
- Geotechnical engineering and laboratory testing;
- Environmental;
- Cultural Heritage matters;
- Survey;
- Planning;
- Project and Contract management.

It is anticipated that the average annual consultancy spend under this Services Agreement would be in the order of \$1,200,000 (excl GST). Approximately 30% of these fees are “pass through” costs for sub-consultants (such as surveyors) and disbursements for travel and the like. In the lead up to its annual budget Council will work with the consultant to provide a predicted level of expenditure through the Services Agreement for the financial years ahead. Indeed it is envisaged that the consultant will provide assistance in defining the project scopes and overall budget estimates.

### **Intent of The Agreement**

The term of the Agreement will be for three (3) years from the date of appointment with an option, at Council’s discretion, to extend the Agreement by a period of one (1) year, with the contract being based on Local Buy. The detailed terms of the Agreement will be negotiated based around the following key performance criteria:

- Quality of deliverables;
- Timeliness of responses;
- Commitment of nominated key personnel;
- Flexibility in service provision;

- Cost of services.

### 3. FINANCIAL & RESOURCE IMPLICATIONS

There is no financial or resource implication.

All of the costs associated with the engineering consulting services being budgeted for. Individual project budgets, which include the costs of consultants, are covered by identified funding sources within budget considerations.

### 4. RISK

Risk	Description	Risk Mitigation
<b>Meeting KPIs</b>	<ul style="list-style-type: none"> <li>• KPIs are not met</li> <li>• Complacency develops over term of contract</li> </ul>	<ul style="list-style-type: none"> <li>• KPIs are set with tangible metrics</li> <li>• KPIs assessed monthly</li> <li>• Council has unilateral right of early termination of the contract</li> </ul>
<b>Expertise</b>	<ul style="list-style-type: none"> <li>▪ For a specific project or query there is a lack of expertise</li> <li>▪ Change of personnel leads to discontinuity or reduced capability</li> </ul>	<ul style="list-style-type: none"> <li>• Consistency and continuity in nominated personnel as a KPI</li> <li>• Council has the right to seek expertise outside the Agreement</li> </ul>
<b>Scope Definition</b>	<ul style="list-style-type: none"> <li>• Scope is not well defined</li> <li>• Misinterpretation of scope</li> <li>• Scope creep – and cost variance</li> </ul>	<ul style="list-style-type: none"> <li>• Formal scoping for all projects with briefings</li> <li>• Seek confirmation of scope via a “back-brief”</li> <li>• Monthly forecasting of costs</li> </ul>

### 5. POLICY & LEGAL IMPLICATIONS

Council is also required to meet all relevant local government procurement requirements as outlined in the *Local Government Act 2009*, Local Government Regulation 2012 and in Council’s Procurement Policy. These requirements will be met through the proposed contract based on Local Buy engagement processes.

### 6. OFFICER’S RECOMMENDATION

1. That Council endorses entering into a contract with Erscon Consulting Engineers for three (3) years with the option to extend for one (1) year for the provision of civil consulting engineering services relating; and
2. Council delegates authority to the CEO to negotiate any and all matters relating to the contract.

NQROC Zoom meeting.

**Financial Services and Information Technology**

Major focus in February 2022 for Financial Services was as follows:

- Bi-annual rates mailed out for Feb 2022;
- Budget review 2 completed with \$ nil impact on cash;
- Completion of LGMS Annual membership and Cyber-risk liability questionnaire;
- Internal audit 1 – Governance internal audit completed with draft report issued to council;
- Internal audit 2 – Procurement internal audit in progress; and
- Annual NCA indexation kick-off with Finance, Engineering and External Valuers.

Major focus in February 2022 for Technology Services was as follows:

- MS365 upgrade still in design and build phase with Civica;
- Whisper boat safety messaging now configured and sign is being created for installation;
- BSC IT is investigating and costing the installation of a new Agility Enterprise Satellite internet configuration for Gregory;
- Telstra has been contacted regarding the regional 5G grant application and they have committed a grant writer for Burke at the expense of Telstra to assist council – GSD is also involved in assisting in lobbying for this funding to bring 5G into the region;
- A number of new Surface Pro's and hardware updates have been rolled out across the BSC staff; and
- STAND NBN emergency systems have been installed to the Burketown and Gregory halls and are up and running.

**People, Performance and Culture**

EBA

- An EBA Negotiation meeting took place on 9 February. This was a rather successful meeting with only six clauses left to be endorsed as a result. All parties have since presented a package for negotiation which included the annual wage increase over a three-year period.

- Initial planning for a community grants webpage on the new Burke Shire Webpage is being considered.
- Currently project planning the Health and Wellbeing Expo in Burke Shire. The event has been postponed to the 30<sup>th</sup> May to the 1<sup>st</sup> June to allow for more time to plan and also means more health care providers are able to plan better and bring more people to the shire. The event will be held at Burketown for three days and a further day and half in Gregory. Currently seeking funding from Century Mines to fund guest speaker Julia Cross and Matty Bowen to attend the event. The event will include community afternoon/evening events such as a movie night, games afternoon and a family evening with guest speaker Julie Cross.
- Funding for litter signage is currently being finalised. This funding will provide ten litter deterrence signs in five locations in the shire – to be determined.

**Small Business**

- Small Business Friendly Council Charter Signing scheduled for the 22<sup>nd</sup> March at Burketown. This will be attended by key community members in Burke Shire including an invitation to small business owners and Di Farmer, Minister for Employment and Small Business and Minister for Training and Skills Development, and Maree Adshead, Small Business Commissioner.
- Burke Shire Business Listing for the new website to be prepared.
- Planning to visit businesses at the end of wet season to discuss the passport project and how Council may be able to support businesses for 2022.

**Gulf Savannah Development**

- The 2021 Project for GSD is currently being finalised which will involve a tourism audit and project investment pipeline that will guide future projects for the various shires in the Gulf.

- Appointment of new CEO Mark Forbes finalised

#### Tourism

- The tourist information centre no longer has staffed hours and will reopen in April 2022. In the meantime, remote camping bookings will be taken through the Burketown Pub.
- Plans to create a small tourism brochure to be printed and distributed to local businesses as the local shire does not currently have a dedicated tourism resource.
- Entry signage planning currently being undertaken. The aim is to have a design and cost estimate ready for funding.

- Currently reviewing lease with Telstra in relation to block at Gregory. Looking at increasing the fee. To be finalized by end of April.
- Funeral for the late Lois Jacob is scheduled for 26<sup>th</sup> March 2022 at Bidunggu Cemetery. As approved by Council, we will provide assistance in digging of the plot as determined by Lois's son Selwy Jacob.

### Facilities Management

- Due to recent legislative changes to smoke alarms, properties will require inspection and possible replacement to ensure we are meeting our obligations and are compliant. Currently sourcing contractor for this.
- Maintenance works for Nijinda Durlga proceeding
- Service Agreements to be put in place for inspections & servicing of air conditioners and roller doors in Council properties. Both items have proved very costly over the past 12 months and this is partly due to lack of maintenance/servicing. Quotes are currently being sourced.

### REX

- REX flights are in full operation as per normal.

### EHO

- Unfortunately, we were unable to secure an EHO to perform inspections last year however are currently speaking with Cloncurry Shire Council to engage them this year.
- Notice for renewals/new applications for Food Licenses were sent out on 16<sup>th</sup> March 2022. Applications/renewals due on 6<sup>th</sup> May 2022.

### **Corporate Services and Governance**

#### Governance

- Still undertaking reviews on all Council policies. More than half have been reviewed and are current.

#### Durlga

- No Durlga bookings for February 2022.
- Starting to receive bookings again.

#### Records

- Recordkeeping is continuing as per usual.
- Continuing to work through destruction runs and digitisation disposals

#### Library

- Working on the First 5 Forever program for this year.
- Purchasing new furniture and equipment for the library.

#### Rex

- Continuing to assist with training new staff for baggage handling and marshalling.

#### Training

- Jennifer Kumsing, Brianna Harrison and Shakiah Douglas are still working through their Cert III in Business Administration.
- Sasha Hookey has successfully completed her certificate III in Business Administration
- Completed training and submitted final paperwork to become a Commissioner for Declarations.

## Financial Services Reports

### 11.02 Finance Monthly Update Report

---

DEPARTMENT:	Office of the Chief Executive Officer
RESPONSIBLE OFFICER:	Dan McKinlay; Chief Executive Officer
PREPARED BY:	Shaun Jorgensen; Finance and Technology Manager
DATE REPORT PREPARED:	7 March 2022
LINK TO COUNCIL PLAN/S:	Operational Plan 2021-22   Council Budget 2021-22

---

#### 1. PURPOSE

This report has been constructed to provide a snapshot of the progress of council's operations (financial) against budget targets at 30 June 2022 as adopted by the council budget. The below report will focus on providing information to key decision makers in regards to key metrics, trends and actuals for the month ended February 2022.

#### 2. SUMMARY

As a review of council's performance over the month of February 2022; Council notes that cash was up by \$2.188 mil. It was also noted that comparative to the budget, council operational expenditure was over budget for February 2022 by 2.25%; this is mainly due to cost phasing and the accelerations of works leading up to xmas and the wet season which are still impacting the month of February 2022. It should however be noted that in a comparison to January 2022, this is a 3.06% improvement in actuals v budget performance which was expected as the impact of cost phasing slows during the wet season in the Burke region.

The following report will cover off on the following key areas (in order) of the list

- 1) Overall Operating Summary (Actual v Budget)
- 2) Statement of Cash Flows
- 3) Statement of Income and Expenditure
- 4) Organisational Services Performance
- 5) Statement of Financial Position
- 6) Exercise of Delegations
- 7) Officer's Recommendations

## 3. OVERALL OPERATING SUMMARY (Actual vs Budget)

The below summary shows a brief snapshot of how council is tracking in the current year against the budget for the year as adopted by council on the 28 February 2022.

Overall Financial Performance	Note	Year To Date Actual	Annual Budget (Target)	YTD Progress %

Sustainability Outlook<sup>1</sup>

Financial Sustainability Ratios and Measures of Sustainability	Target	Current Month YTD	Prior Month
<sup>1</sup> Operating Surplus Ratio (%)	Between 0% and 10%	-46%	-68%
<sup>2</sup> Working Capital Ratio	Greater than 1:1	2	2
<sup>3</sup> Net Financial Liabilities Ratio	Less than 60%	-41%	-36%

## Notes:

- Operating revenues** - Council notes that Feb 2022 rates were levied during the month. Council finance also noted amounts to the sum of approximately \$2.6mil received for DRFA during February 2022 as well.
- Operating Expenses** - Noted that costs appear to be slightly higher than the budgeted expectations for the month; this is mainly due to cost phasing from heavier expenditure at the later end of 2021 ahead of the flood season; Council notes however that this phasing has now caught up to budget expectation by approximately 3.06%. In relation to employee benefits costs against the budget, we have currently expended \$2.929mil against a budget of \$5.717mil for the year. This is an actual spend of 51.23%, Council is currently tracking below the budget target as the council has not yet filled the budgeted Director Community, Economic Development and Regulatory Services role and there are other roles pending for filling such as the Workshop Manager at this stage. As of the 24 February 2022, no amendment to overall expenditure resulting in any bottom-line cash impact was made as council expects to continue travelling on course for the remainder of the year within budgeted expectation at this stage.

## Definitions

<sup>1</sup> The working capital ratio: measures council's ability to offset short term obligations with current assets

<sup>2</sup> The net financial liabilities ratio: measures council's ability to increase borrowings where necessary

<sup>3</sup> The operating surplus ratio: measures council's ability to cover operational costs through operational revenues

**3) Capital Revenue** - No capital revenue was captured during February 2022. Finance is currently investigating this matter with Engineering and Project Management as this balance is lagging at current.

**(4,5,6,7,8)** - Accounts relate to balance sheet movements, all of which will move in correlation to Council operating movements; as such no items by exception to report at this stage.

#### Cash and Cash Equivalents Movement Comparison Chart

Cash and Cash Equivalents - Restricted Cash (IAS 7)

Total Cash on hand	6,542,347	
Restricted Cash - DRFA Revenue	4,850,418	Majority of balance relates to DRFA funding
Unrestricted Cash	1,691,929	

**Notes to the Statement of Cashflows:**

- 1) **Receipts from customers** - It was noted that an influx of rates receipts were received during the month of February which contributed to the uplift in part. We also noted an impact resulting from the movement in the rates receivable captions as having an impact on this balance as well from an accounting perspective.
- 2) **Payments to suppliers and employees** - Council notes that this amount includes amounts accrued back into the 2021 financial year. As such, there is a minor distortion between the cash paid and the expenses shown in the statement of Income year to date. For February as previously advised to council, there has been a reduction in the level of expenditure during the flooding season which has allowed year to date expenditure to catch up.
- 3) **Rental Income** - Rental income is on track with budget.
- 4) **Interest Received** - Interest has increased comparably year on year due to the significant change in the RBA cash rate having an impact on the effective interest rate provided by the QTC (0.60%). This is up from 0.50% in January 2022.
- 5) **Operating Grants and Contributions** - Approximately 2.6mil was received from the QRA for DRFA funded projects during the month. These amounts have currently been recognised as unearned revenue and will be recognised once the equivalent works have been completed for these projects.
- 6) **Payments for Property, Plant and Equipment** - The amount expended relates to payment made towards WIP (capital projects) for the month of February 2022. Minimal movement was noted for the month of February 2022; this was primarily due to weather.
- 7) **Capital Grants and Subsidies** - No capital grants were received for the month of February 2022. Finance is currently investigating this matter with Engineering and Project Management as this balance is lagging behind budget. This will likely be a timing issue.
- 8) **Net Cash Movement** - council's cash holdings was up \$2.188mil, to a total balance of \$6.542mil in the bank/QTC. This is mainly due to amounts received from the QRA for DRFA works.

### 11.03 Statutory Policy on Complaints against the Chief Executive Officer

---

DEPARTMENT:	Office of the Chief Executive Officer
RESPONSIBLE OFFICER:	Dan McKinlay; Chief Executive Officer
PREPARED BY:	Dan McKinlay; Chief Executive Officer
DATE REPORT PREPARED:	07 March 2022
LINK TO COUNCIL PLAN/S:	Corporate Plan –Council develops, implements and maintains an effective and compliant governance framework (governance, finance, risk)

---

#### 1. PURPOSE

To comply with the Crime and Corruption Act 2001 requirements for Council to readopt a Policy on the handling of complaints against the Chief Executive Officer

#### 2. BACKGROUND

Section 48A of the Crime and Corruption Act 2001 (Act) requires Council to have a Policy in place which outlines how Council will manage a complaint which may involve Council's Chief Executive Officer.

This policy is readopting the original policy with some minor changes and is attached for Council's consideration.

The draft Policy (see Attachment) appoints the Mayor as the nominated person under the Act to receive and deal with complaints involving the Chief Executive Officer. The Mayor is delegated the power under the Policy to source the resources required to undertake any investigation that may be required. The Act authorises these powers to be given to the Council appointed nominated officer.

Should a complaint that may involve the Chief Executive Officer be received by that Officer it is to be referred to the Mayor and the Chief Executive Officer is not to take any part in the subsequent management of the complaint.

#### 3. PROPOSAL

Council to readopt the Policy that outlines how a complaint against the Chief Executive Officer is dealt with ensuring due process is followed and legislative requirements are met.

#### 4. FINANCIAL & RESOURCE IMPLICATIONS

Should the Mayor (as the Nominated Person) require external expertise to assist in the investigation of a complaint involving the Chief Executive Officer that cost will be borne by Council.

## 5. POLICY &amp; LEGAL IMPLICATIONS

Instrument	Reference	Details
Local Government Act 2009	Sections 12 and 13 – responsibilities of councillors and employees	<p>Section 12 charges councillors with ensuring the local government achieves its corporate plan.</p> <p>Section 13 charges council employees with carrying out their duties in a way that ensures the local government achieves its corporate plan.</p>
Crime and Corruption Act 2001	48A Policy about how complaints involving public official are to be dealt with	<p>1) A public official must, in consultation with the chairperson, prepare a policy about how the unit of public administration for which the official is responsible will deal with a complaint that involves or may involve corruption of the public official.</p> <p>(2) The policy may nominate a person other than the public official to notify the commission of the complaint under section 37 or 38, and to deal with the complaint under subdivision 1 or 2, on behalf of the public official.</p> <p>(3) If the policy includes a nomination as mentioned in subsection (2), this Act applies as if a reference about notifying or dealing with the complaint to the public official were a reference to the nominated person.</p> <p>Example of operation of subsection (3)—</p> <p>If a policy prepared under this section for a unit of public administration includes a nomination as mentioned in subsection (2)—</p> <p>(a) under section 38 as applying under subsection (3), the nominated person must notify the commission of complaints about the relevant public official that the person suspects involve or may involve corrupt conduct; and</p> <p>(b) under section 35(1)(b) as applying under subsection (3), the commission may refer complaints about the relevant public official to the nominated person for the nominated person to deal with; and</p>

		<p>(c) under section 42 or 44 as applying under subsection (3), the nominated person must deal with complaints about the relevant public official referred to the nominated person by the commission.</p> <p>(4) In this section— complaint includes information or matter</p>

### 11.04 Council Properties to Tender - Gregory

---

DEPARTMENT:	Office of the Chief Executive Officer
RESPONSIBLE OFFICER:	Dan McKinlay; CEO
PREPARED BY:	Dan McKinlay; CEO
DATE REPORT PREPARED:	10/03/2022

---

#### 1. PURPOSE

This report details the proposed sale by tender of a further seven residential blocks of land at Gregory.

#### 2. BACKGROUND & PREVIOUS COUNCIL CONSIDERATION

After an investigation by Shannon Moren- Manager Community and Communications in relation to Gregory Blocks owned by Council, a total of 25 residential vacant blocks of land were identified (one block includes a Telstra Satellite). In addition, there were 2 Residential blocks-2x3 Bedroom houses- One of the houses is tenanted.

The following properties were put up for Public Tender and at the 9<sup>th</sup> December Council Ordinary Meeting. Council awarded the tenders as follows:

- Lot 11 on RP743007-Vacant lot – Erscon
- Lot 14 on RP743007-Vacant lot – Waanyi
- Lot 16 on RP743008-Vacant lot - Waanyi
- Lot 20 on RP743008-Vacant lot – Steven Weise
- Lot 22 on RP743008-Vacant lot – Oscar Gesuato
- Lot 23 on RP743008-Vacant lot – Ken Booth
- Lot 25 on RP743008-Vacant lot - Waanyi
- Lot 27 on RP743008-Vacant lot – Cardwell Traders
- Lot 38 on RP743008-Vacant lot – Brendan Goldstein
- The Residential Lot house 37 on RP743008 - Brendan Goldstein

Council has banked \$141,249 from the sale of these blocks with an additional \$71,295 to be received shortly.

Council has determined that a further seven residential blocks will be tendered as follows:

- Lot 53 RP743009
- Lot 55 RP743009
- Lot 56 RP743009
- Lot 57 RP743009

- Lot 58 RP743009
- Lot 18 RP743008
- Lot 9 RP743007
- Also refer attached map identifying these defined blocks for tender.
- It should be noted that three blocks were identified in the February 2022 Ordinary Council meeting to be allocated to the Waanyi Rangers Program at nil cost as part of an Incentive to support the new proposed Waanyi Program at Gregory. This was also considered an economic incentive for Gregory. These blocks were as follows.
- Lot 59 RP743009
- Lot 60 RP743009
- Lot 61 RP743009

### 3. PROPOSAL

The proposal is to offer the above identified seven blocks for tender. It is proposed to have a tender period of three weeks.

The tender invite will state that the only service to the land blocks is water access.

These blocks are recommended to go to tender as they are surplus to Council's requirements, have ongoing maintenance costs and if sold, will generate future rates income.

All seven Residential blocks will be sold "As is where is".

### 4. FINANCIAL & RESOURCE IMPLICATIONS

- Blocks have to be tidied up for sale. Blocks also need to be surveyed and boundaries defined.
- Any sales will generate income not budgeted. Additional rates revenue will also be generated. There will also be no future maintenance costs.
- Revenue generated will be included in the March 2022 budget review.

### 5. RISK

Risk Type	What could happen	Possible consequence
Individual blocks	<ul style="list-style-type: none"><li>• Individual blocks do not sell.</li></ul>	<ul style="list-style-type: none"><li>• Council has to retain blocks.</li><li>• Ongoing maintenance costs.</li></ul>

### 6. POLICY & LEGAL IMPLICATIONS

Pursuant to section 228(2)(a) of the *Local Government Regulation 2012*, the Request for Tender is an invitation for interested parties to submit a written Tender for the purchase of the Lots on the terms set out in the Conditions of Tender.

### 7. CONSULTATION

Consultation has taken place with:

- Councillors

- Community and Communications Manager
- Preston Law

#### 8. CONCLUSION

An additional clause will be included in the tender documents for each tenderer to advise what they propose to do with the block they tender for and anticipated time frames.

#### 9. OFFICER'S RECOMMENDATION

1. That Council note the contents of the report; and
2. That Council invite tenders for sale of the following seven vacant residential lots at Gregory:
  - Lot 53 RP743009
  - Lot 55 RP743009
  - Lot 56 RP743009
  - Lot 57 RP743009
  - Lot 58 RP743009
  - Lot 18 RP743008
  - Lot 9 RP743007
3. That the proceeds received from the sale of the blocks be utilised for the future upgrade of the Gregory Depot.

DATE REPORT PREPARED:	7 March 2022
LINK TO COUNCIL PLAN/S:	Corporate Plan –Council develops, implements and maintains an effective and compliant governance framework (governance, finance, risk)

---

#### 1. PURPOSE

The purpose of this report is to readopt the Burke Shire Council Fraud and Corruption Control Policy in accordance with the relevant legislation.

#### 2. BACKGROUND

In accordance with the Local Government Regulation 2012, Local Government Act 2009 and Crime and Corruption Act 2001, Council is required to maintain a Fraud and Corruption Control Policy to guide Council's behaviors and activities when addressing instances of perpetration of fraud.

#### 3. PROPOSAL

The purpose of this policy is to:

- Support high standards of professional conduct and honest and ethical business practices within Burke Shire Council; and
- Outline Council's commitment to effectively preventing, detecting and responding to incidents of fraud and corruption.
- Provide definition and approaches for the follow matters:
  - Fraud Risk Assessment;
  - Reporting Allegations of Fraud;
  - Misleading or False Reporting;
  - Investigation Process;
  - Fraud Awareness; and
  - Actions to Prevent, Detect and Respond to Fraud.

On the basis of the review of the above GOV-PLA-001 Fraud and Corruption Control Policy, it has also been identified that there is no longer a need for the GOV-POL-004 Fraud Policy; this policy should be repealed as all associated fraud matters, risk assessments and planning have been included in the GOV-PLA-001 Fraud and Corruption Control Policy.

### 11.08 Dog registration fees and desexing

---

DEPARTMENT:	Office of the Chief Executive Officer
RESPONSIBLE OFFICER:	Dan McKinlay; Chief Executive Officer
PREPARED BY:	Dan McKinlay; Chief Executive Officer
DATE REPORT PREPARED:	11 March 2022
LINK TO COUNCIL PLAN/S:	Corporate Plan –Council develops, implements and maintains an effective and compliant governance framework (governance, finance, risk) - KPI: Local Laws, strategies, policies, plans, systems, committees, procedures, registered and reports are developed, implemented and assessed in a manner that satisfies regulatory and organisational requirements.

---

#### 1. PURPOSE

The purpose of this report is to review the issues concerning dogs in the Burketown and Gregory Townships. This will include the recommendation to reduce registration fees and offer free desexing until 30 June 2022.

#### 2. BACKGROUND

In Queensland, all dogs must be registered with the local council:

- before they are 12 weeks old
- within 14 days after moving to a new local council area.

When lodging your completed registration form, you must include the registration fee and state:

- if your dog is a regulated dog - including declared dangerous, declared menacing and restricted dogs
- if your dog has been desexed - include a signed certificate from your vet micro-chipped - include the permanent identification device (PID) number.

Very few dogs are registered in the Burke shire. The main deterrent to this is the current fees and charge's structure which are as follows:

Details - Registration of Dogs	Fee
Regulated Dog registration (Fee waived for 2021/2022 financial year unless unregistered dog is impounded.	\$267.80
Dog Registration -entire	\$123.60

Dog Registration -entire (secondary dog on a single property.)	\$100.00 where this is the second and/or further subsequent dogs owned on a single property
Cat Registration	\$13.40
Dog Registration-desexed	\$10.30
Lodgement of Ownership Advice (including update)	\$0
Replacement tags	\$5.20
<b>Impounding Of Dogs</b>	<b>Fee</b>
Dogs, Cats	\$83.40
Repeat offenders (12-month period)	\$140.10
Officer Callout Fee (For impounding 's outside of ordinary hours	\$212.20
<b>Release Fee (Payment of impound Fee Plus)</b>	<b>Details</b>
Dogs, Cats - animals will only be released if registered.	\$75.00
Officer Callout Fee (For release outside of ordinary hours)	\$212.20
Sustenance and maintenance fee per day	\$39.00

Some Councils have significantly reduced Dogs Fees and Charges as an incentive to get dogs registered. A couple of examples are as follows:

#### Croydon

- Only charge Registration Fee of \$10.25 per entire dog.
- Free for desexed dog.

#### Carpentaria Shire Council - registration of dogs is as follows:

- Male/Female per dog - \$22.00
- Desexed Male or Female per dog - \$11.00
- Aged Person Dog (Limit to one dog - guide dogs no fee) - \$4.00

### 3. PROPOSAL

The proposal is to recommend the reduction of Fees and Charges for dogs as follow:

Details - Registration of Dogs	Fee	Recommended revised fee
Regulated Dog registration	\$267.80	No change

(Fee waived for 2021/2022 financial year unless unregistered dog is impounded.		
Dog Registration - entire	\$123.60	\$10.00
Dog Registration - entire (secondary dog on a single property.)	\$100.00 where this is the second and/or further subsequent dogs owned on a single property	\$10.00
Dog Registration- desexed	\$10.30	\$nil
Lodgement of Ownership Advice (including update)	\$0	No change
Replacement tags	\$5.20	No change

The reasoning for the significant recommended reductions is as follows:

- Simply at the current fee charge there is no incentive to register. No income is being received for Dog Registration. This is compounded by a general lack of ability to pay in the Shire.
- We need to consider as part of the Council strategic session if we employ a Regulatory Officer, it is important to get prior information on dog numbers in the Shire to help Council make an informed decision.
- There are significant advantages in deleting the \$10 desexed charge for dogs as a further incentive to have dogs desexed.

Therefore, if Council agrees on the reduced fees, we need to have a real information drive to encourage dogs to be registered. This will give us some real data on dogs in our Township and some of the issues faced.

#### **Desexing of dogs Incentive**

Shannon Moren, Community and Communications Manager, is currently negotiating fees with Zoe O'Brien, a young vet who is based in Normanton who will provide a travelling service around the gulf. She had previously practiced in Cloncurry. Zoe will be undertaking a full Gulf run between 31 March and the 5<sup>th</sup> April.

We are recommending to Council that we totally subsidise desexing up to 30 June 2022 as a real incentive to get dogs in the townships desexed. There currently is an Animal Control budget that can cover this.

#### **4. FINANCIAL & RESOURCE IMPLICATIONS**

Based on the fact that we have not received any registration fee during the current and last Financial Year's reflect those financial implications are very limited by reducing the Dog Registration Fee to \$10.

By having a push to get dogs desexed with a total subsidising of the cost has a financial implication but we do not expect to get many dogs desexed and there is a more than adequate Animal Control Budget to cover.

## 5. POLICY &amp; LEGAL IMPLICATIONS

Instrument	Reference	Details
Local Government Act 2009	Part 1-Local Laws.	Power to make Local Laws.
<i>Animal Management</i> (Cats and dogs) Act 2008	Many areas of Legislation	Council and Dog Owners responsibilities

## 6. RISK

Improving regulation controls over Dogs will help ensure the appropriate regulatory management of Dogs. Encouraging Registration and desexing will go a long way to achieving this.

## 7. CRITICAL DATES &amp; IMPLICATIONS

Drive to get as many dogs registered and desexed by 30 June.

## 8. CONSULTATION

Councillors

Chief Executive Officer

Community and Communications Manager

## 9. CONCLUSION

Council is at the stage that we really have to improve the regulation of dogs. By significantly reducing the registration fee for dogs and offering free desexing up to 30 the June shows a real commitment by Council to get on top of the dog issues in the shire townships and improving regulatory control.

## 10. OFFICER'S RECOMMENDATION

1. That Council note the contents of the report; and
2. That Council adopt the revised Dog registration Fees as follows:

Dog Registration - entire	Reduce cost from \$123 to \$10.
Dog Registration - desexed	Reduce cost from \$10.30 to Nil

3. That Council offer desexing of Dogs at a nil cost up to 30 June 2022.
4. That a public information campaign be implemented to promote the above Council initiatives.

**6. RISK**

The organisers will carry out a risk assessment prior to the even to ensure all participants safety is the highest priority. The organisers will also have appropriate public liability cover for the event.

**7. CRITICAL DATES & IMPLICATIONS**

Council decision required on the 24<sup>th</sup> March to meet timeframes.

**8. CONSULTATION**

Chief Executive Officer

Works Manager

Community and Communications Manager

Community Development and Administration Officer.

9. CONCLUSION

Last year a small event was held in lieu of the cancelled Burketown Barramundi Fishing Organisation Inc fishing competition. It is anticipated that the event this April will be significantly bigger. It will add some stimulus to Burketown over Easter. The event will not only entertain people in and around the community but will also bring people and families from outside the region.

Council will be recognised on the official program of the fishing competition along with advertisement on social media and local newsletters.

10. OFFICER'S RECOMMENDATION

1. That Council note the contents of the report; and
2. Council determine level of in-kind support as detailed under report heading 3.

#### 1. PURPOSE

To provide information to Council regarding donation requests received the following:

- Far North Queensland Child Safety Program
- WQAC Councils-Premier's Flood Appeal-Twenty-Two for Twenty-Two.

#### 2. BACKGROUND and PROPOSAL

##### **Far North Queensland Child Safety Program**

Last year Council supported the Far North Queensland Child Safety Program run by Queensland Police Legacy. The handbook will be distributed to both public & private schools in June this year.

Attached is the media kit regarding the campaign and to show you what they will be teaching the children. The Child Safety Handbook is a wonderful publication which covers areas such as body boosters, out and about, street smarts, drug awareness, personal space, bullying, abuse and other topics.

The cost is \$649 to sponsor a school or \$330 to sponsor a half school with payment not required until July.

##### **WQAC Councils-Premier's Flood Appeal-Twenty-Two for Twenty-Two.**

In February 2022 the south -east corner of Queensland from Wide Bay to the NSW border and inland to the Darling Downs was hit by the worst flooding in living memory. Tragically, 13 Queenslanders have lost their lives and property and stock losses will run into billions of dollars.

Recognising the heart-breaking ordeal facing the residents of the 22 disaster declared council areas in Queensland and remembering the generous support received across Western Queensland from metropolitan and coastal councils in times of floods and drought, the WQAC Assembly 2022 held in Charleville from 9 to 11 March 2022, discussed a proposal that all 22 WQAC local governments consider a financial contribution to the Premier's Flood Appeal. It would be known as Twenty-Two for Twenty-Two!! A sum of \$5,000 per Council was suggested which was generally supported.

### 3. FINANCIAL & RESOURCE IMPLICATIONS

The \$649 to sponsor the Far North Queensland Child Safety Program can be funded from Donations in the current year budget.

The WQAC Councils-Premier's Flood Appeal-Twenty-Two for Twenty-Two \$5,000 can be funded from the Local Disaster Management Budget which will be underspent this financial year on current predictions.

### 4. POLICY & LEGAL IMPLICATIONS
