

Public Notice

Access to Property

As part of Burke Shire Council's annual maintenance program for our sewerage infrastructure, Council crews will be undertaking maintenance works on sewer manhole access lids throughout Burketown over the coming weeks.

Some sewer access points are located within private properties. Where access is required, Council staff will contact property owners directly to arrange a suitable time for works to be completed.

These works are an important part of maintaining the reliability and performance of Burketown's sewerage network for the benefit of the entire community.

We appreciate your cooperation and understanding while these works are carried out.

For any questions, please contact Burke Shire Council on (07) 4745 5100.

Zac Revere
